YOU WILL

- An assortment of rounded or cylindrical vegetables such as cucumber, banana, plantain, carrot, radish, wasabi root and zucchini
- A basket or box to place the vegetables in
- One blindfold
- One dildo
- A shot glass and a bottle of hard liquor (such as vodka or tequila)

HOW TO PLAY :

4. Lead the bride-to-be to a chair placed at the center of the room.
5. The participants holding the vegetables must approach the bride-to-be one by one, hold out the vegetable, and ask the bride-to-be to guess what sort of vegetable it is that she's holding. If the bride-to-be guesses correctly, the participant holding the vegetable has to take a shot. If the bride-to-be guesses incorrectly, then the bride-to-be has to take a shot.
